Drop the Charges against the Starmer 2! Protest at court hearing 9/10 January!

Two supporters of the Revolutionary Communist Group/*Fight Racism! Fight Imperialism!* were arrested in Glasgow in December 2023 for protesting Keir Starmer's support to genocide in Palestine. The Starmer 2 face trumped-up charges of assault on the police, resisting arrest and breach of the peace stemming from a pro-Palestine protest outside a Scottish Labour Party event where Starmer was speaking. We demand: ***Drop the charges now!***

From the start of the slaughter in October 2023, the Tory government and now Labour have targeted those protesting British imperialism's support to Israel's war of annihilation of the Palestinian people. They have banned the Muslim organisation Hizb ut-Tahrir, arrested supporters of the Palestinians—including journalists—on terrorism charges, and incarcerated Palestine Action protesters and many more.

To preserve decrepit British imperialism, Starmer like all his predecessors maintains sycophantic support to the US. And the imperialist US is bent on arming its Middle East outpost, the Zionist terror state, to the last drop of Arab blood.

This is the crime the RCG were protesting in Glasgow. Defenders of the Palestinians must protest the prosecution of the Starmer 2 and all the arrested and jailed pro-Palestine protesters. The RCG are urging people to join the protest at the upcoming court appearance of the Starmer 2 in Glasgow on 9 and 10 January 2025 from 9.00am, Glasgow Sheriff Court, 1 Carlton Place, G5 9DA.
